NOTIFICATION

No.B.11020/42/2016-FST, the 12th July, 2024: In supersession of earlier Notification issued vide No.FOR.202/79/31(A) dt.03.07.1982, the boundaries of Kawrthah Forest Division with its Ranges are notified as follows :

KAWRTHAH FOREST DIVISION :

NORTH : The boundary starts from interstates tri-junction of Mizoram, Tripura and Assam at R.Langkaih and running east along interstate boundary of Mizoram and Assam till it meets the inter division boundary with Mamit Forest Division.

EAST : It then follows inter division boundary southwards along R.Teirei upstream till the crossing of BRTF road at Teirei Forest.

SOUTH : The boundary follows BRTF road southward till it meets KDZKT road at Tuilutkawn. It then follows KDZKT road northward till source of Thlerpuilui, a tributary of Sengmatawklui and runs downstream till meeting with Sengmatawklui and the boundary runs downstream till meeting with Luite dam, then follows Luite dam upstream upto source and then runs 209 mtr along the ridge and towards south direction upto saddle at Thuamluia's abandoned jhum and follows Bakpuilui downstream. It then runs till meeting with Ramrilui and then runs upstream till source at KDZKT road. The boundary goes southward along the road upto source of Aitamlui, running downstream till meeting with Banruhtliah/Gundalui, and then goes upstream till source then runs across the slope south east upto about 3 km crossing Ulu Chhara and Malpui stream, it runs southward parallel to the ridge of Hachhek tlang then meeting Thaichanglui and runs downstream about 100 mtr crossing BRTF road till meeting with small stream from Persang tlang. It then runs upstream of the small stream upto Persang tlang ridge and towards west then to the sources of Sailui, running downstream to Sailui till meeting with Sazalui (also known as Tuilianpui).

WEST : The boundary follows Sazalui upstream till interstate boundary of Mizoram and Tripura, it then runs along interstate boundary till meeting with the starting point at R.Langkaih.

Area : 784 Sq.km.

A. *KAWRTHAH FOREST RANGE:*

NORTH : Kawrthah Forest Range starts at Langkaih river at the inter Range boundary between Kanhmun and Kawrthah Range. It then follows Balului eastwards till tri junction of Kanhmun, Kawrthah and Zamuang Ranges. And the boundary crosses KDZKT road and follows Ramrilui downstream meeting Sarali lui

EAST : It follows Teirei river upstream till it reaches Tuikhurlui and then Pi Darilui.

SOUTH : The boundary follows Tuikhurlui upstream till it meets Pi Darilui source and then crosses KDZKT road, and then follows Saduhlui downstream till it reaches Langkaih River (This shall also form Northern boundary of Kawrtethawveng Range).

WEST : The boundary follows R. Langkaih downstream till it reaches the starting point at the inter range boundary of Kawrthah and Kanhmun Ranges.

Area : 171 Sq.km

B. *KAWRTETHAWVENG FOREST RANGE:*

NORTH : The boundary starts from interstate boundary of Mizoram and Tripura at the meeting point of R.Langkaih and Saduhlui. Then it follows Saduhlui upstream till it crosses KDZKT road at the source of Pi Darilui from where it follows Pi Darilui downstream till it meets R.Teirei (This shall also form the southern boundary of Kawrthah Forest Range).

EAST : It follows Teirei river upstream till it meets BRTF road at Teirei Forest.

SOUTH : The boundary follows BRTF road southward till it meets KDZKT road at Tuilutkawn. It then follows KDZKT road northward till source of Thlerpuilui, a tributary of Sengmatawklui and runs downstream till meeting with Luite dam, then follows Luite dam upstream upto source and then runs 209 mtr along the ridge and towards south direction upto saddle at Thuamluia's abandoned jhum and follows Bakpuilui downstream. It then runs till meeting with Ramrilui and then runs upstream till source at KDZKT road. The boundary goes southward along the road upto source of Aitamlui, running downstream till meeting with Banruhtliah/Gundalui, and then goes upstream till source then runs across the slope south east upto about 3 km crossing Ulu Chhara and Malpui stream, it runs southwards parallel to the ridge of Hachhek tlang then meeting Thaichanglui and runs down stream about 100 mtr crossing BRTF road till meeting with small stream from Persang tlang. It then runs upstream of the small stream upto Persang tlang ridge and towards west then to the source of Sailui, running downstream to Sailui till meeting with Sazalui. (The southern boundary will also be the northern boundary of Dampa Tiger Reserve).

WEST : The boundary follows Sazalui upstream till interstate boundary of Mizoram and Tripura, it then runs along interstate boundary till meeting with the starting point at R.Langkaih.

Area : 283 Sq.km

C. *KANHMUN FOREST RANGE:*

NORTH : The boundary follows inter-state boundary between Assam and Mizoram from Lungli river to the point where river Teirei meets the Dhaleshwari (Tlawng) river.

EAST : Thence the boundary line goes along the Dhaleshwari river upstream upto the point where it meets Tut river upstream till it meets northern boundary of Lunglei District.

SOUTH : Thence along the boundary of Lunglei District westward upto the western boundary of Territory.

WEST : Thence follows the western boundary of the territory northward till it meets the northern boundary of the territory at the point on the right bank of the Langkaih (Longai) river.

Area : 150 Sq.km.

I).   *ZAMUANG FOREST RANGE :*

NORTH : Inter village boundary of Zamuang and Lokicherra or north western and follows inter village boundary of Lushaicherra and Hriphaw till it meets Inner Line Reserve.

EAST : R. Teirei.

SOUTH : Inter village boundary of Kawrthah and Rengdil.

WEST : R. Langkaih

Area : 180 Sq.km.
