## ANNEXURE-II

**STATEMENT OF OBJECTS AND REASONS**  
**[for Second Amendment to The Mizoram Municipalities Act, 2007]**

The Mizoram Municipalities Act was enacted in the year 2007 to pave way for the establishment of Municipal Bodies in Mizoram. Major amendment of the Act was made in the year 2009 by the First Amendment Act, 2009 wherein many of the original provisions were amended and new provisions were inserted. After the First Amendment of the Act, the Aizawl Municipal Council was formally established and the first election was successfully held in November, 2010.

When the provisions of the Act are put into practice with the establishment and functioning of Municipality in Aizawl, it is found that many of the provisions are either inadequate, or needs to be modified to suit the purposes for which they are made in the Act. Further, the implementation of Government of India's Flagship Programmes like Jawaharlal Nehru National Urban Renewal Mission (JnNURM), Rajiv Awas Yojana (RAY), etc. has brought along sweeping changes in urban governance, with their set of Urban Sector Reforms for long-term improvement in overall urban governance and for making the cities and towns equitable and sustainable. These developments have necessitated amendments in the Act, and the following amendments are hereby proposed accordingly:

**I. Amendment proposed relating to Definition:**

- 1) **Definition of "cart" may be deleted** as it is having a nominal meaning in urban areas.
- 2) **Definition of "Director of Local Bodies"** may be amended as the definition is ambiguous and the State Government has not so far designated any officer of Director of Local Bodies till date. The Nodal Department for Municipalities is Urban Development & Poverty Alleviation Department. Hence Director, UD&PA may be specifically designated as Director of Local Bodies.
- 3) **Definition of "Executive officer"** may be amended as the definition is vague and does not include key officers of the Municipality. Hence, the definition may be widened to include all the key officers.

*It is, therefore suggested to carry out deletion of existing provision, amendment of existing provisions and insertion of new Sub Sections in Section 2 as below:*

- i) Deletion of sub-section (9) : "Cart"*
- ii) Insertion of sub-section (17-A) : "Development"*
- iii) Amendment of sub-section (18-A) : "Director of Local Bodies"*
- iv) Insertion of sub-section (23-A) : "Economically Weaker Section"*
- v) Amendment of sub-section (26) : "Executive Officer"*
- vi) Insertion of sub-section (27-A) : "Floor Space Index"*
- vii) Insertion of sub-section (29-A) : "Group Housing"*
- viii) Insertion of sub-section (37-A) : "Low Income Group"*
- ix) Insertion of sub-section (39-A) : "Municipal Appellate Tribunal"*
- x) Insertion of sub-section (64-A) : "Shelter Fee".*

**II. Amendment proposed relating to Classification of Urban areas:** Urban areas in Mizoram have relatively smaller population and hence, the size of cities and towns needs to be re-defined to suit the State.

*It is, therefore proposed to carry out amendment of Section 3(2)(a).*

**III. Amendment proposed relating to Terms of office of Councillors:** A new sub-section (c) is proposed to be inserted so that a Councillor will be disqualified under certain conditions and contingencies.  
*It is, therefore proposed to insert Section 22(c).*

**IV. Amendment proposed relating to Functions of municipality:**

- 1) Functions of municipality may be replaced by the 12<sup>th</sup> Schedule of the 74<sup>th</sup> Constitutional Amendment Act.
- 2) Discretionary functions of the Municipality may be amended as Functions of Municipality already listed in Section 57.
- 3) Section 58-A may be deleted Functions of Municipality already listed in Section 57.
- 4) Section 58-B may be deleted as Private sector participation and modalities of utilizing private sector services may be taken as inherent authority of a municipality and a separate provision in the Act may not be necessary.
- 5) Section 58-C may be deleted as this may be taken as inherent authority of a Municipality.
- 6) Section 59 sub section 2 may be deleted as Functions of Municipality already listed in Section 57 and a provision for discretionary functions already inserted in section 58.

*It is, therefore suggested to carry out amendment of existing provisions and deletion of existing provisions as below:*

- i) Amendment of Section 57*
- ii) Amendment of Section 58*
- iii) Deletion of Section 58-A*
- iv) Deletion of Section 58-B*
- v) Deletion of Section 58-C*
- vi) Deletion of Section 59 sub-section 2.*

**V. Amendment proposed relating to Municipal Establishments:**

- 1) **The Municipal Establishments need** re-arrangement of officers to show the list in a proper order.
- 2) **Cadre of common municipal service, appointments, conditions of service, etc:** The existing provision needs to be re-arranged so that there is a separate section that provides for constitution, appointment and condition of service belonging to the Common Municipal Cadre. This may consist of all Group 'A' and 'B (Gazetted)' Officers in the Municipalities of the State. Appointment of officers shall be made on the recommendations of the Public Service Conditions. The Cadre shall be managed by a Cadre Authority, constituted by the State Government, and the officers shall be liable to be transferred to any of the Municipalities.
- 3) **A new Section "Other employees of a municipality"** may be inserted as this new Section provides for appointment and conditions of service of officers and staff, other than the officers belonging to the Common Municipal Cadre.
- 4) **Municipal Service Selection Board may be amended as it** is suggested to have a separate Board for selection of Common Municipal Cadre Service and Municipal Staffs.

*It is, therefore suggested to carry out amendment of existing provisions and insertion of new section as below:*

- i) Amendment of Section 61 sub section 1*
- ii) Amendment of Section 62*
- iii) Insertion of Section 62-A*
- iv) Amendment of Section 63*

**VI. Earmarking of a 25% of Municipal Budget for creation of a Non-Lapsable Fund for Basic Services to the Urban Poor:**

In fulfillment of its commitment to undertake a set of Reforms in the implementation of JNNURM in Mizoram, the Government of Mizoram notified in 2010 for implementation of Pro-Poor Reforms directing that "At least 25% of the budget of the Aizawl Municipal Council shall be earmarked for BSUP which may be called Basic Services to the Urban Poor Fund". The intention of this Reform Agenda is to ensure that basic municipal services are provided to all the urban dwellers, including those families categorized as Economically Weaker Section (EWS) and Low Income Group (LIG).

In doing this, the Municipalities shall create a Non-Lapsable Basic Services to the Urban Poor (BSUP) Fund to provide Basic Services to the Urban Poor by providing a better quality of life, and accessibility to basic amenities included in the 7-Charter of Basic Services included under Jawaharlal Nehru National Urban Renewal Mission (JnNURM), namely:

- (i) Housing
- (ii) Water supply
- (iii) Sanitation
- (iv) Solid Waste Management
- (v) Primary Education
- (vi) Healthcare
- (vii) Social Security

BSUP Fund will be created by allocating at least 25% of the Municipal Budget. It will be a non-lapsable fund, and a separate bank account shall be opened by the Urban Local Body (ULB) in a Nationalized Bank. At present, the Ministry of Housing and Urban Poverty Alleviation has determined the income ceiling of Urban Poor categorized as Economically Weaker Section as Rs.1,00,000/- as household income per annum.

Enactment of this Pro-Poor Reform is again made mandatory by the newly launched Scheme of 'Rajiv Awas Yojana' by the Government of India. Hence a proposal for amendment of the Act to incorporate the provision is placed for consideration of the Government.

*It is, therefore proposed that a new section, namely, Section 75-A: 'Basic Services to the Urban Poor' shall be inserted after Section 75 and before Section 76. Consequently, definitions of some new terminologies are also proposed to be inserted in Section 2: Definitions.*

#### **VII. Amendment proposed relating to Property Taxes:**

Property Tax is one of the internal resources of the Municipality in Mizoram, as mandated by Section 210 of the Mizoram Municipalities Act, 2007 (as amended in 2009). The Government of Mizoram has taken steps to enable the Aizawl Municipal Council (AMC) to collect Property Tax for all the properties within the municipal council area of Aizawl City. At the same time, the AMC has also taken various steps towards this, conducting survey of all properties, developing a database of properties; develop a GIS-based property mapping, etc. It is expected that the AMC will be able to collect Property Tax in line with the provisions of the Act.

However, the existing provisions of the Municipalities Act need to be modified by amending the existing provisions, or inserting new Sections to enable the Municipality to assess and collect Property Tax on a sound legal framework. The existing provisions of Section 216 (2) provide for rental method of valuation of the property for the purpose of taxation. However, the Government of Mizoram has intended to introduce Unit Area Method of taxation instead of rental method, as this is found to be better, more effective and has the potential to improve revenue collection by the municipalities without imposing undue burden on urban tax payers. Accordingly, proposals have been made to amend relevant provisions of the Act, in line with the proposals made by the Institutional Development Consultancy (IDC) for the ADB-assisted NERCCDIP to meet the requirements for collection of Property Tax.

*It is, therefore suggested to carry out amendment of existing provisions and insertion of new Sections as below:*

- (i) Amendment of Section 216
- (ii) Insertion of Section 216-A: Classification of lands and buildings and determination of unit area values

- (iii) *Insertion of Section 216-B: Multiplicative factors to determine annual property values*
- (iv) *The existing provisions of Sec 216(2) provide for rental method of valuation of property for the purpose of taxation. As the intention of the Government is to introduce Unit Area Method of taxation, the proposed amendment is necessary.*
- (v) *Insertion of Clause (h) and (i) under Section 217(1)*
- (vi) *Deletion of Section 220*
- (vii) *Insertion of Clause (g) under Section 250*
- (viii) *Amendment of Sub-Section (1) and Insertion of Sub-Section 1-A under Section 252*
- (ix) *Insertion of Section 253-A: Default in submission of Returns*

**VIII. Amendment proposed relating to Preparation of master plan:** The Aizawl Development Authority was established by the Government of Mizoram under the provisions of the Aizawl Development Act, 2005. Under the said Act, the Aizawl Development Authority had been empowered to take up various activities relating to preparation of master plan, preparation of zonal plans, regulation of building construction, etc. In Aizawl city, the Aizawl Municipal Council had been established and matters relating to master plan/zonal plans and regulation of buildings are among the functions entrusted to the municipality. Municipal bodies as and when established in other cities/towns will also be entrusted to take up function in their respective municipal areas. The existing provisions in the Mizoram Municipalities Act, 2007 are found inadequate to effectively address these issues. It is therefore necessary to carry out amendment/insertion of new provisions in the said Act.

*It is, therefore suggested to carry out amendment of existing provision of Section 341.*

**IX. Reservation of Land for Housing to Economically Weaker Sections (EWS) and Low Income Group (LIG):**

In fulfillment of its commitment to undertake a set of Reforms in the implementation of JNNURM in Mizoram, the Government of Mizoram issued a notification in 2010 enjoining "Reservation of 20-25% of Developed Land for Economically Weaker Section (EWS) and Low Income Group (LIG)".

In the newly launched Flagship Programme of Rajiv Awas Yojana (RAY), reservation of 15% of residential FAR/FSI or 35% of dwelling units for EWS/LIG categories whichever is higher is mandated in the Reforms and enactment of the said provision in the Municipal Act has been made compulsory to access funds under the Scheme by the State Governments. The size of the EWS unit reserved for these shall not be less than 21 sq. m and not more than 27 sq. m of the carpet areas. For LIG it should not be less than 28 sq.m and not more than 40 sq.m or higher, and every developer who makes provision for earmarking of land or floor area shall be incentivized through a scheme of cross-subsidization, as prescribed by the State Government.

*It is therefore proposed that a New Section "341-A: Reservation of FAR/FSI or Dwelling Units for Housing Economically Weaker Section (EWS) and Low Income Group (LIG)" be inserted after Section 341 clause (h) and before Section 342. Definitions of some new terminologies necessitated by this amendment are also proposed to be inserted in Section 2: Definitions.*

**X. *Municipal Appellate Tribunal:*** *The intention of constituting a Municipal Appellate Tribunal is to deal with all appeal matters concerning municipal administration including that of revenue, establishment, and provision of civic services. However, the Municipal Appellate Tribunal would not deal with matters of the Municipal Ombudsman for which the Government of Mizoram had separate provisions under*

*the Act. If the Government of Mizoram considers the Tribunal to deal with all appeals of municipal matters, then appropriate amendments would be necessary in the Municipalities Act.*

*It is, therefore proposed to insert a new Chapter "XXIII-A: MUNICIPAL APPELLATE TRIBUNAL" after Chapter – XXIII: STATE ELECTION COMMISSION AND STATE FINANCE COMMISSION and before CHAPTER-XXIV: MISCELLANEOUS. Under this new chapter, two new sections "352-A: Municipal Appellate Tribunal" and "352-B: Appeals" be inserted. Definitions of some new terminologies necessitated by this amendment are also proposed to be inserted in Section 2: Definitions.*

**ANNEX-III**

**FINANCIAL MEMORANDUM**  
**[for proposed Second Amendment to The Mizoram Municipalities Act, 2007]**

10 (Ten) items have been proposed for amendment in the Second Amendment of the Mizoram Municipalities Act, 2007. Financial implications in the proposed amendments, item-wise are indicated below:

- I. **Definition: There is no financial implication.**
- II. **Classification of Urban areas: There is no financial implication.**
- III. **Terms of office of Councillors: There is no financial implication.**
- IV. **Functions of municipality: Functions of municipality, already listed in the existing Act will be re-arranged and replaced by a list of functions as contained in the 12<sup>th</sup> Schedule of Constitution, and there may not be any financial implication.**
- V. **Municipal Establishments: Municipal Establishments and cadre of common service, appointments, conditions of service, etc., municipal service selection need re-arrangement and amendment as well as insertion of new section "Other employees of a municipality". However, these will not result in incurring of additional expenditure and fund is not involved.**
- VI. **Earmarking of a 25% of Municipal Budget for creation of a Non-Lapsable Fund for Basic Services to the Urban Poor:** The intention of this Amendment is to ensure that basic municipal services are provided to all the urban dwellers, including those families categorized as EWS and LIG. In doing this, the Municipalities shall create a Non-Lapsable BSUP Fund to provide Basic Services to the Urban Poor by allocating at least 25% of the Municipal Budget. It will be a non-lapsable fund, and a separate bank account shall be opened by the ULB in the Nationalized Bank. The Ministry of Housing and Urban Poverty Alleviation determines the income ceiling of Urban Poor categorized as Economically Weaker Section as Rs.1,00,000/- as household income per annum.  
No new expenditure will be incurred as a result of this proposed Amendment. No new resources will also be generated by this proposal. It will only result in earmarking of existing funds of the Municipality for certain specific sections and for specific functions within the Municipality.
- VII. **Amendments proposed relating to Property Taxes:** Property Tax is one of the principal tax resources of the Urban Local Bodies. It is one of the single largest internal resources of the Municipalities, and largely determines the overall financial position. The proposed amendment will pave the way for collection of Property Tax by the Aizawl Municipal Council, presently in existence, and other Municipal Bodies that may be established by the Government of Mizoram.

The proposed Amendment will, accordingly result in collection of a sizeable amount of tax by the Municipal Body, and will accordingly result in augmentation of resources of the Municipality. It will also provide legal framework for better streamlining of property tax including assessment, collection, etc. This will enable the Municipalities take up various municipal services and urban infrastructure for overall improvement of cities and towns.

However, the amount of taxes that may be collected on account of Property Tax in a fiscal year is not possible to assess at this stage. It is, however expected that the resources of Municipal Bodies will be positively affected as a result of this proposed Amendment.

**VIII. Preparation of Master Plan:** This is proposed to work out the modalities of regulating the framework for preparation of master plan/zonal plans and no expenditure will be incurred.

**IX. Reservation of FAR/FSI or Dwelling Units for Economically Weaker Section (EWS) and Low Income Group (LIG) Housing:**

This proposal seeks to carry out reservation of 15% of residential FAR/FSI or 35% of dwelling units for EWS/LIG categories whichever is higher, in Group Housing Development by Private Developers within Municipalities so that the weaker sections of the Society will also be benefited by the development activities, and to provide housing needs of the poor. Since Group Housing Development activities will either be taken up by Private Developers, or by Housing Societies, etc. the Municipality or the State Government will not incur any expenditure on this count.

**X. Municipal Appellate Tribunal:** The proposed Amendment Bill seeks to constitute a Municipal Appellate Tribunal with a Chairman and other members in accordance with rules to be formed by the State Government. The Tribunal will be supported by a Registry consisting of Registrar and other supporting staff to be specified in the rules. While it is purely understood that these will be additional expenditure on account of constituting a Tribunal, the extent of expenditure cannot be estimated until such time the Government framed the rules under the said Act clearly indicating the salaries/honoraria to be paid to the Chairman and members and the numbers of posts along with the scale of pay to be created in the Registry of the Tribunal.
