**GOVERNMENT OF MIZORAM****KENO WEEKLY****Game Description :**

The Keno Games has a matrix of 80 numbers.

To participate in a Keno game, a player can select 2 up to 10 numbers from a range of 01-80 Each such set is called a "SPOT"

There are 9 spots available for play to the customer, ranging from Spot 2 to Spot 10. Eg : if the player chooses SIX numbers, he/she has played a "6 Spot Game"

Each Spot has its own prize level.

The maximum prize liability on a single draw will be restricted to Rs. 60 Lakhs on Match 10/10, 9/9 and 8/8. In case the total prize payout for each of the above prize levels exceeds Rs. 60 Lakhs, the amount of Rs. 60 Lakhs will be distributed equally amongst the winners in that category

For each spot selection, the player has an option of multiple plays

A single Games of Keno is priced at **Face Value Rs. 10.16+GST Rs. 2.84 (28% of Face Value) = MRP Rs. 13**

**Draw Methodology**

20 numbers are drawn out of the set of 80 balls. The players will win prizes depending upon the number of matches against the 20 numbers drawn out

**The prize structure**

Since this game offers flexibility to the player of several spot games as explained above, each spot game has its own prize levels. Prize payouts will be fixed and specific prize levels are set for each prize level within each spot game. Thus, the prizes will depend upon the number of spots played. The prize levels/prize amounts under each spot is enclosed. This structure will vary in all the game variations.
